## S600 Ultra Low Safety Bed

**CERTIFIED**

AS/NZS 3200.1.0:1998 & AS/NZS 3200.2.38:2007

The Wentworth **Patented Ultra-Low Safety** features a second set of castors, which raise the bed frame off the floor to allow a patient lifter or overbed table underneath.

Underbed Clearance 170mm

The Ultra Low Safety Bed offers all the benefits of a Hi-Lo bed, with the added benefit of going lower.

### Genuine Home-style Frames

The Ultra Low Safety Bed is available with a complete timber frame, or a head and foot only to suit any style of bedroom – traditional, transitional or contemporary. Matching furniture is available to suit all styles, in a range of stains.
